*For Life Goes Not  
Backward  
Nor Tarrys With Yesterday*

. . .

*Kahlil Gibran*

Prophecy is the subject of this yearbook. Not prophecy as the superstitious power of looking into or predicting the future, but the ancient concept of prophecy, which seems to apply to our troubled, divided and fast-moving modern world. The ancient prophets were men who spoke out against the evils of their times. Ancient prophecy expressed the prophets hopes for the future of his country and his people.

The worlds of the modern mystic, Kahlil Gibran, are just that — words of hope and reason for all nations and all peoples.

From the first moment a Freshman enters Wingate College, he begins the task of writing his own prophecy. Of course, no one person can predict where the student may be years hence from today, but how he adapts and takes advantage of the opportunities the institution offers can shape his whole life. Wingate College directs itself to molding the whole person. Like any higher institution of learning, there is an academic side challenging the individual and broadening his scope of concepts. But Wingate College is more than that . . .

*You may strive to be like them, but seek  
not to make them like you. For life  
goes not backward nor tarries with yesterday.*

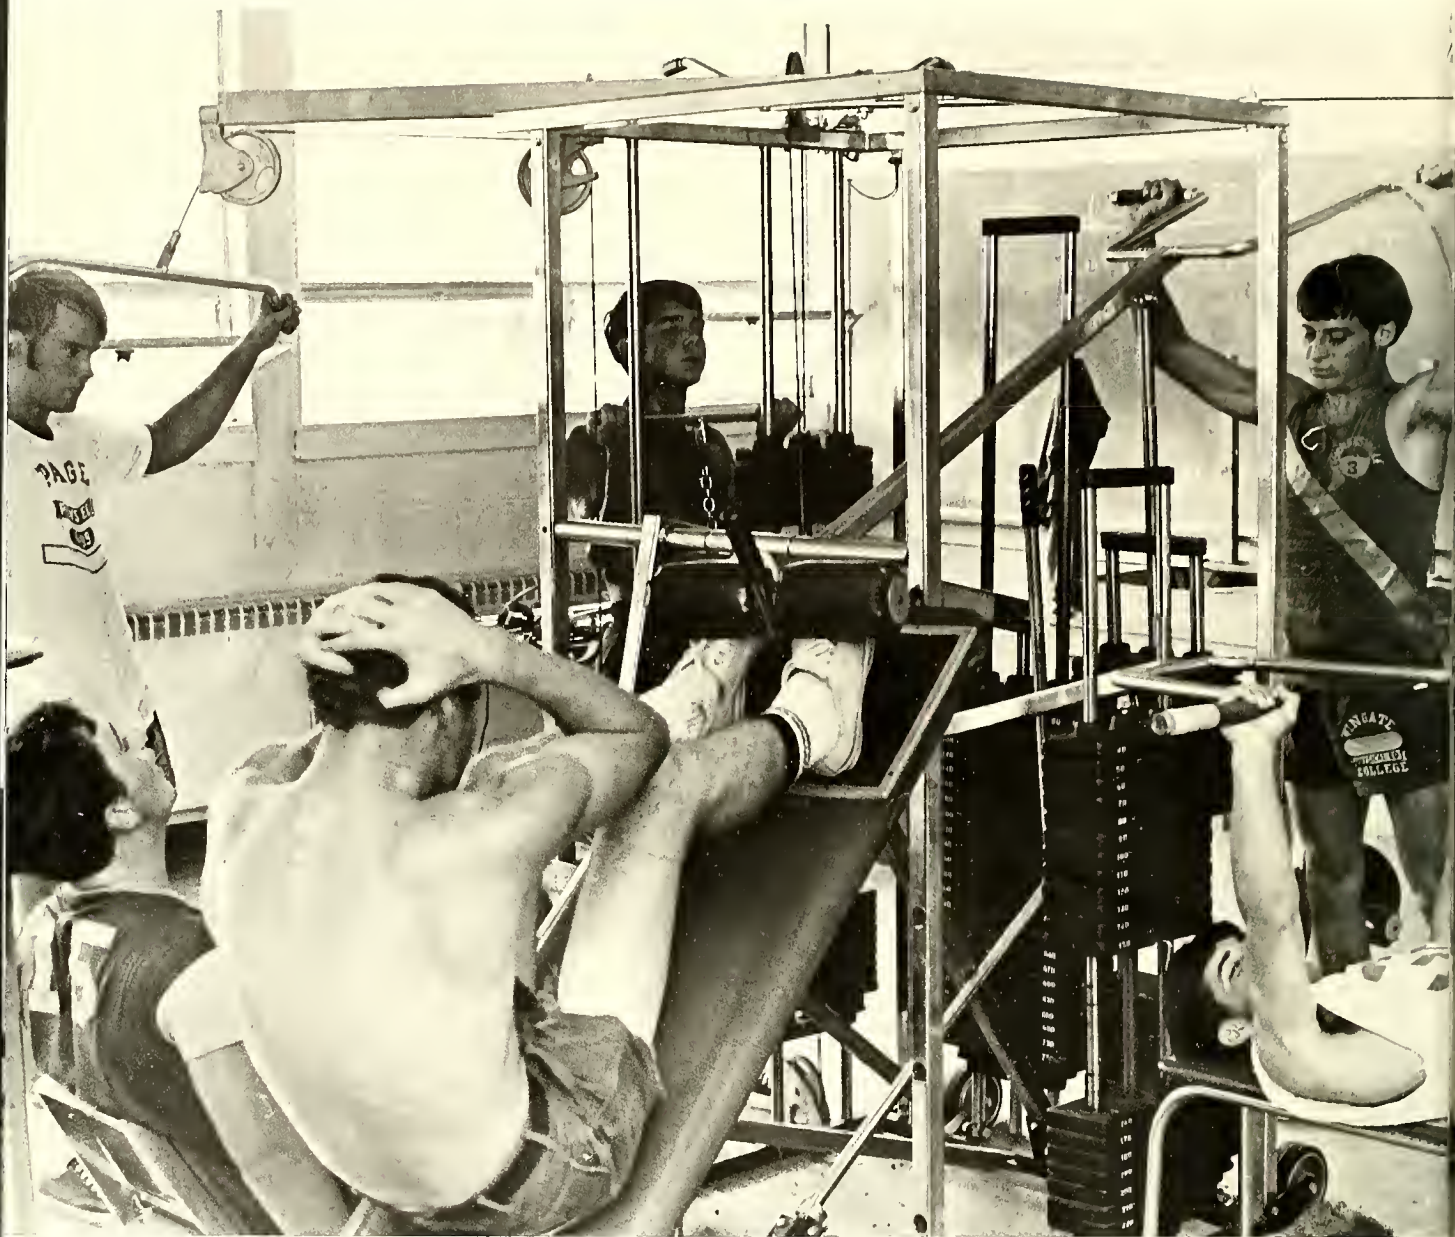

*You shall be free  
indeed when your  
days are not without  
a care nor your  
nights without a  
want and a grief.*

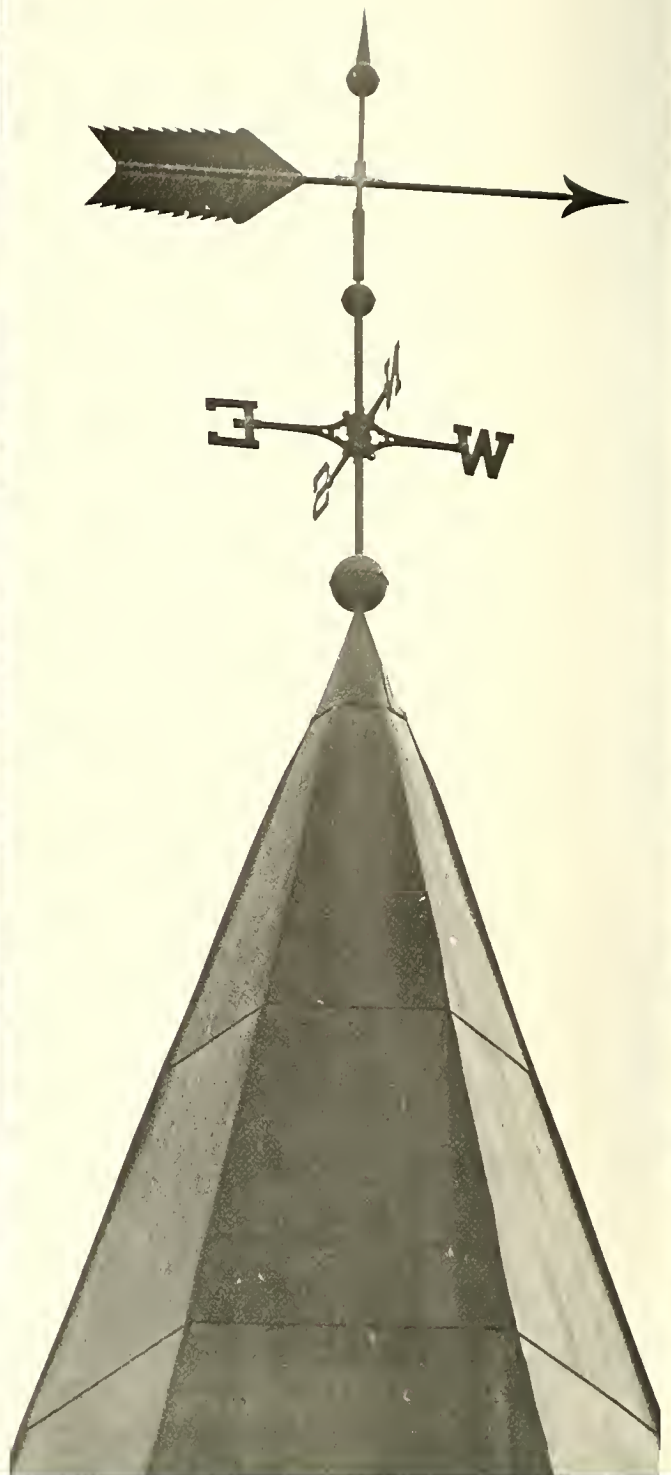

*And to love through labour  
is to be intimate with  
life's inmost secret.*

*War is not healthy for children and other living things*

# ADMINISTRATION

*"The teacher of music may sing to you of the rhythm which is all space, but he cannot give you the ear which arrests the rhythm nor the voice that echoes it.*

*And he who is versed in the science of numbers can tell of the region of weight and measure, but he cannot conduct you thither,*

*For the vision of one man lends not its wings to another man."*

## 1973 DEDICATION

Dedication, Service, and Outstanding Leadership are words that characterize the recipient of the dedication of the 1973 *Gate*. This gracious lady has served in all capacities, both academically and socially, of Wingate College life. Along with serving on the Administrative Council, Courtesy Committee, and the Curriculum Committee, she is also a Faculty Advisor and Chairman of the English Department. In recent years, she has co-ordinated the May Day ceremonies and edited the College Catalogue. Because of her many unselfish contributions, benefiting both the students and faculty, we dedicate this 1973 *Gate* to Mrs. Frances Cuthbertson Vick.

*Mrs. Frances C. Vick*

# STUDENT BODY

*"For to be idle is to become a stranger unto the seasons, to step out of life's procession, that marches in majesty and proud submission towards the infinite".*

## *SOPHOMORE CLASS OFFICERS*

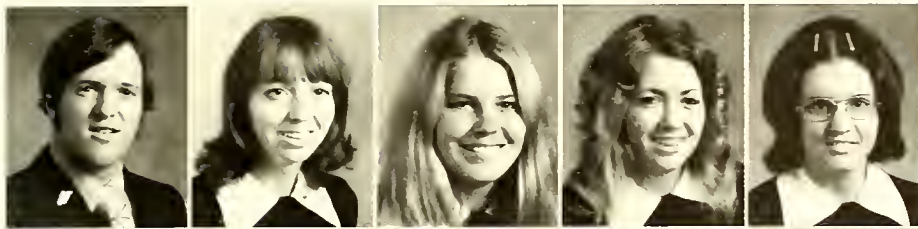

Left to right — Jack Newman, President; Maria Clark, Vice-President; and Debbie Lowder, Secretary-Treasurer.

Throughout the year the Sophomore Class has been responsible for showing many movies of various types. Another following activity sponsored was a Rec dance. Both projects were quite rewarding as a means of obtaining money for achieving the goal of improving the sound system in the auditorium.

With the future plans for a talent show and a picnic the class officers show that hard work results in success.

President: Denny Rushing, Vice-President: Debby Temple and Secretary-Treasurer: Susan Baucom.

The Freshman Class has been very active this year. First semester the class completed two projects. The first project was sponsoring a Rec dance featuring "Sugarcreek." Sponsoring a talent show and also an Ecology Day were two other major undertakings which the members of the Freshman Class saw completed. The members of the Freshman Class helped work on the revision of the Wingate College Student Body Constitution. Presenting chapel programs and helping with the "Miss Wingate" Pageant were other projects in which the class members participated.

Freshman Class Senators are: J. C. Dunn, Shirley Rayner, Eric Sipe, Robert Redding, Suzy Williams, and Frances Rogers.
